## PRESS RELEASE: General Contractors, Wu & Associates, Inc. Receives 2019 National Diversity Excellence Award

Posted April 1, 2019

- *Delivering award-winning construction services for distinguished clients throughout the United States*
- *Accredited Quality Contractor committed to providing high quality building projects safely and productively to nationwide communities*

Long Beach, CA, Apr. 1, 2019 - - Wu & Associates, Inc. general contractors based in Mount Laurel, NJ specializing in design-build and complex commercial construction with expertise in historical preservation, sustainability, and elevator systems was recognized as a recipient of the National Diversity Excellence Award by Associated Builders and Contractors (ABC). This annual recognition of ABC members who display leadership for diversity in their workforce, supply chain, and community acknowledged companies who demonstrate best-in-class recruitment policies, retention practices, education, and mentoring. The firm was honored at the 29<sup>th</sup> annual Excellence in Construction® Awards ceremony during ABC Convention 2019 in Long Beach, California.

Wu & Associates is pleased to be leading the way by attracting and investing in talent from a variety of backgrounds. Our mission is to leverage the diverse talents of our staff in order to provide creative and conscientious solutions for unique building challenges. We are happy that ABC has recognized us as trailblazers for diversity among individuals who choose a career in the construction industry. We

graciously accept being recognized in the **General Contractor Under \$33 Million** category and look forward to our continued success.

Being selected by industry partners and ABC's Diversity Committee members, in support of the association's strategic goal to continually grow and deliver value to an inclusive workforce motivates us to excel as masters of diverse thought and culture. We are happy to be a member company in our construction sector that provides leadership and promotes diversity through awareness and our business practices.

*Founded in 1990, **Wu & Associates, Inc.** is celebrating 29 years in business. In that time, we have completed over 200 projects successfully, within 15 states nationwide. Honesty, hard work, sound ethics, and fair treatment of others are fundamental drivers of our success. Our commitment to safety, self-improvement, service, and sustainability shape who we are and how we approach the world.*

*Founded in 1950, **Associated Builders and Contractors (ABC)** is a national construction industry trade association representing more than 21,000 members. Established with the merit shop philosophy, ABC and its 70 chapters help members develop people, win work and deliver that work safely, ethically and profitably for the betterment of the communities in which ABC and its members work. Visit [abc.org](http://abc.org) for more information.*
