

## WU & ASSOCIATES RECEIVES NATIONAL DIVERSITY EXCELLENCE AWARD

MONDAY, APRIL 1, 2019

Wu & Associates is excited to be recognized as a recipient of the National Diversity Excellence Award by Associated Builders and Contractors (ABC). This annual recognition of ABC members who display leadership for diversity in their workforce, supply chain, and community acknowledged companies who demonstrate best-in-class recruitment policies, retention practices, education, and mentoring. The firm was honored at the 29<sup>th</sup> annual Excellence in Construction® Awards ceremony during ABC Convention 2019 in Long Beach, California.

Wu & Associates is pleased to be leading the way by attracting and investing in talent from a variety of backgrounds. Our mission is to leverage the diverse talents of our staff in order to provide creative and conscientious solutions for unique building challenges. We are happy that ABC has recognized us as trailblazers for diversity among individuals who choose a career in the construction industry. We graciously accept being recognized in the General Contractor Under \$33 Million category and look forward to our continued success.

Being selected by industry partners and ABC's Diversity Committee members, in support of the association's strategic goal to continually grow and deliver value to an inclusive workforce motivates us to excel as masters of diverse thought and culture. We are happy to be a member company in our construction sector that provides leadership and promotes diversity through awareness and our business practices.
